Hamilton Film Liaison Office

“Reel Choices, Reel Locations, Reel Service”

The Hamilton Film Liaison Office (HFLO) is committed to assisting you in all aspects of your film project. We can help from the initial looking stage until your final wrap. This level of service will be at no cost to you or your production.

Exciting things have been happening in our community. Filming in the City of Hamilton continues to reach record levels each year. Production companies and film crews had 1,000 prep, shoot and wrap days in Hamilton in 2003 and glowingly refer to Hamilton as “Ontario’s Back Lot.”

The City of Hamilton is a diverse film destination consisting of six unique communities: Ancaster, Dundas, Flamborough, Glanbrook, Hamilton and Stoney Creek. We will continue to be a location with hundreds of unique filming locations that attract dozens of film, television and commercial productions each year. Administratively, we will be a leader in offering “one-stop shopping” with a single level of government. Support for your industry continues to grow locally with government officials and area residents all welcoming you into the community. Hamilton strives to keep their reputation as a film friendly destination.

The goal of the HFLO is to offer unparalleled service to the industry. We are confident that this current edition of Hamilton’s Film Production Resource Guide has reached new heights. This comprehensive one-stop shopping guide will help you locate services in one convenient location and will be updated on a monthly basis to keep information current.

Thank you for all the support shown to the City of Hamilton as a film, television and commercial production destination.

WELCOME to the City of Hamilton, a premier location that truly does offer
“Reel Choices, Reel Locations and Reel Service.”

Policy For Filming On Streets And Property Under The Jurisdiction Of The City Of Hamilton

Policy Statement:

The Corporation of the City of Hamilton recognizes the importance and significance of the film and television production industry to our community. We further recognize the direct and indirect economic benefits associated with this growth sector.

The Hamilton Film Liaison Office was established to provide local support and guidance to the film and television community. This service includes the development of local initiatives and resources, which have become required standards of the industry. Since 1999, the Hamilton Film Liaison Office has been a member of the Association of Film Commissioners International.

All film and television production activity in the City of Hamilton must be reported to and co-ordinated through the Hamilton Film Liaison Office, Economic Development Department. This includes all requests for permitting and their re-direction to the proper departments.

Purpose of Policy:

This policy has been developed to provide specific guidelines for the assessment and co-ordination of commercial filming projects.

Filming Guidelines

1. Applicability:

The following guidelines apply to all location filming which takes place in the City of Hamilton, except for current affairs and newscasts.

2. Projects For Consideration:

- ◆ Feature Films
- ◆ Television Films
- ◆ Television Network Programs/Series
- ◆ Television Commercials (commercial, government, non-profit)
- ◆ Documentaries
- ◆ Educational Films
- ◆ Commercial Photography
- ◆ Other projects as approved by Council

3. Projects Not For Consideration/Subject to Discussion:

- ◆ Projects that break Municipal By-laws, Provincial or Federal Laws
- ◆ Projects that are expected to be released with an X rating
- ◆ Projects that are distasteful to the general public or socially sensitive

4. Permit Issuance:

Permits for location filming will be co-ordinated through the Hamilton Film Liaison Office (HFLO) for issuance by the appropriate City department.

5. Timelines:

The HFLO will be notified of all location filming not less than ten (10) business days in advance of filming activity. Filming that includes (but is not limited to) full road closures and special effects require at least thirty (30) business days to receive Council approval.

6. Notification:

- ◆ **Community:** The production company **MUST** notify affected residents, occupants and businesses in advance of filming. Information such as duration, location of filming, planned special effects, road and lane closures, sidewalk usage and street parking restrictions must be communicated in writing to all areas affected by filming activity. A copy of all notification letters must be on file with the HFLO for reference and distribution to Council.
- ◆ **Councillors:** Council will be notified by the HFLO a minimum of five (5) business days prior to all film activity. In cases of late notification Council will be advised immediately. The notification will include the name of the Production Company, title, type, topic content, producer, director, production manager, location manager and principal cast. General information such as address/location of filming, shoot dates and all other relevant information will be outlined on the "Film Activity Notification" form.

7. Consideration to Local Residents/Occupants/Businesses:

The local community should be free of any negative environmental conditions resulting from filming. This includes (but not limited to) spillover lighting, exhaust fumes or noise that may affect their ability to enjoy their property or conduct their business.

- ◆ **Noise:** The production company must comply with legislation governing noise
- ◆ **Lighting:** Lighting for filming should be orientated away from neighbouring residences
- ◆ **Generators:** All generators used on streets or in public areas will be equipped with silencing attachments unless otherwise approved
- ◆ **Night Filming:** Filming will not proceed between 11 p.m. and 7 a.m. without proper notification to residents

Exceptions to the above conditions require the approval of the majority of affected residents and the local governing departments and/or Council.

8. Disruption to Residents/Occupants/Businesses:

It is the Production Company's responsibility to ensure that there is a minimum disruption to residents, occupants, businesses and City services where filming occurs. This includes access to their respective properties and ensuring pedestrian and vehicular access to adjoining properties. The production company is under no obligation to provide compensation for disruption unless it voluntarily agrees to do so or otherwise has legal obligation to do so. Every effort should be made to ensure that people displaying disabled parking permits and other legitimate credentials are accommodated in recognition of personal safety.

9. Traffic and Traffic Stoppages:

- ◆ Interference with pedestrian or vehicular traffic must be accompanied with proper permitting and approvals. Every opportunity must be allowed to ensure access, either vehicular or pedestrian, to persons with disabilities

- ◆ Production vehicles must comply with appropriate traffic regulations unless permission has been granted at time of permitting
- ◆ Except where a road has been closed for filming, all moving vehicles must adhere to the posted speed limits and to other lawful conditions unless directed otherwise by a Pay Duty Police Officer
- ◆ Intermittent traffic stoppages limited to a maximum of 3-5 minutes, unless otherwise stated and shall be under the supervision of a Pay Duty Police Officer

It is the production company's responsibility to arrange for Pay Duty Police Officers and to arrange for the local governing departments to cover, alter, remove and/or re-install traffic or street signs as may be necessary. All costs associated with these requirements are the expense of the production company or applicant.

10. Parking:

- ◆ Production vehicles must not block fire hydrants or park in fire routes or within 9 metres of an intersecting street or impede any emergency response vehicles. They must also adhere to any other requirements specified on the permits issued by the appropriate local governing department.
- ◆ In all circumstances production vehicles cannot block bus stops, pedestrian crossovers, signalized intersections, driveways, accesses/egresses/ingresses, ramps, parking lot entrances and accessible parking for persons with disabilities. All exceptions must be with the approval of the property owner or be identified at the time of permitting.

11. Special Effects and Filming Activities in Relationship to Police/Fire Ambulance:

Guns, gunfire, explosives, bombs/mock-ups, flash power, detonators, flammable liquids/materials including the filming of dangerous stunts require notification to the appropriate authorities. Production companies must contact the Hamilton-Wentworth Regional Police and the local Fire Department to acquire the appropriate approvals. Pay Duty Officers and Emergency Medical Services Personnel are required for the detonation of pyrotechnic special effects and dangerous situations. All costs associated with these requirements and related clean-up are at the expense of the Production Company or applicant.

12. Clean-Up:

Production crews are responsible to clean the location at the end of the day with a minimum amount of noise and disruption. Upon completion of the shoot the production company must ensure that the area is returned to its original condition. Materials and debris are not to be washed into the catch basins.

13. Conduct:

It is the responsibility of the Production Company to ensure that their staff operates in a safe and professional manner in the course of their duties.

14. Indemnification/Save Harmless:

The Applicant shall indemnify and save harmless the City from and against all claims, actions, damages, injuries, costs, expenses or losses whatsoever, which may arise or be brought against the City as a result of or in connection with the said use of the locations(s) by the Applicant, its employees, contractors, agents or representatives; and specifically, the City will not be responsible for any liability arising from these activities with respect to advertising or any copyright or trademark infringements.

15. Insurance:

The Applicant shall, at its own expense, including the cost of deductibles, provide and maintain:

- a) Commercial General Liability Insurance insuring against claims arising out of this agreement, providing coverage in an amount of not less than Two Million (\$2,000,000) Dollars per occurrence, including, but not limited to, broad form contractual liability, personal injury liability, non-owned automobile liability, cross liability and severability of interest provisions, and naming the City of Hamilton as additional insured.
- b) Automobile Third-Party Liability Insurance in an amount of not less than One Million (\$1,000,000) Dollars covering all owned/leased vehicles used in connection with this agreement.
- c) Any other forms of insurance (e.g.: Aircraft Liability, Pyrotechnics Liability, Fire Legal Liability, etc., as may be applicable) or such greater amounts with respect to the insurance of the types set out above, as the City may reasonably require from time to time, in the form and amounts and for insurance risks against which a prudent party would insure.

All insurance must be provided by an Insurer registered to do business in the Province of Ontario. Proof of coverage, in the form of an original Certificate of Insurance shall be provided to the City prior to commencement of this agreement. The Applicant and its Insurance representative shall provide the City with immediate notice in writing of discontinuance of such insurance or any material change thereto.

16. Notification of Accident/Claims:

The Applicant shall promptly report to the City any potentially serious accident or claims for liability or loss with respect to this agreement.

17. Expenses:

The Production Company is responsible for all out-of-pocket expenses related to the use of City roads, properties, parks or equipment and shall be given an estimate of these costs prior to permitting and/or filming activity. Once filming begins, if there are changes to these arrangements the production company is to be notified immediately.

18. Security Deposit:

Where deemed necessary a payment of cash or letter of credit shall be required from the applicant prior to the issuance of permits. This deposit shall not be returned until all conditions have been fulfilled, including clean-up and all expenses incurred by the City have been paid.

19. Safety:

- ◆ All electrical work and electrical equipment must be inspected and or approved by the Electrical Safety Authority's Electrical Inspection as per the Ontario Electrical Safety Code. You must contact the Hamilton Inspection Office at 1-800-278-4264 or by faxing an application to (905) 318-4912;
- ◆ Interior signs in buildings must not be covered, (e.g., fire exit signs) unless expressly agreed upon by the property manager;
- ◆ All Production Company's must adhere to the Ontario Ministry of Labour's Safety Guidelines for the Film & Television Industry in Ontario. 4th Edition – January 1999, and
- ◆ The Ontario Ministry of Transportation's Manual of Uniform Traffic Control Devices for Temporary Work Sites

This information is available from the respective Ministries and the HFLO

20. Restrictions:

There may be sensitive area and/or properties in the City of Hamilton in which filming may be restricted.

The appropriate municipal officials will consider decisions about the nature and extent of filming in or around heritage properties. Each case will be looked at on a case-by-case basis and is subject to the approvals of such officials and/or Council.

The City of Hamilton and the Hamilton Film Liaison Office reserves the right to refuse to allow filming or issuance of a permit to a Production Company or individual that does not comply and/or satisfy the criteria outlined in these guidelines. This includes Production Companies or individuals that have failed in the past, to adhere to these filming guidelines.

W: www.torontomusicians.org

• *The Toronto Musicians Association is a professional association of musicians in the Toronto Area. It is part of a larger organization called the American Federation of Musicians of the U.S and Canada, encompassing both countries. We encompass all areas of the music business.*

Directors Guild of Canada – Ontario – DGC
P: 416-925-8200
F: 416-925-8400
W: www.dgcodc.ca

• *The Directors Guild of Canada, (DGC), is a national labour organization representing key creative and logistical personnel in the film and television industry. A primary mandate of the Guild is to promote and advance the quality and vitality of Canadian feature film and television production. The Guild promotes its members nationally and internationally; lobbies on issues critical to its membership; negotiates improved working conditions; provides professional development opportunities for members to upgrade skills and provides members with a comprehensive Health and Dental plan and a Group RRSP plan.*

IASTE Local 129 – International Alliance of Theatrical
Stage Employees
P: 905-572-9193
F: 905-572-7424

• *I.A.S.T.E Local 129 serves theatre, music, film, video, television and other entertainment industries as carpenters, electricians, riggers, sound mixers, prop builders and more.*

IATSE Local 411 (Production Co-ordinators) –
International Alliance of Theatrical Employees
P: 416-645-8025
F: 416-645-8026

IATSE Local 667 (International Photographers) –
International Alliance of Theatrical Stage Employees
P: 416-368-0072
F: 416-368-6932
E: camera@iatse667.com

• *I.A.T.S.E. Local 667 represents professionals in the camera and publicity departments and in all auxiliary equipment necessary to the operation of the camera. Their contract covers all phases of filmed and electronically recorded motion picture productions, including feature films, television movies and series, commercials and live events.*

IATSE 828 (Scenic Artists and Prop Makers) –
International Alliance of Theatrical Stage Employees
P: 905-275-6887
F: 905-275-2578
E: richter@nas.net
W: www.iatse828.org

• *I.A.T.S.E 828 represents scenic artists and props makers working on live theatre, displays and exhibits. Membership is throughout Ontario, but is mainly concentrated in the Golden Horseshoe Area.*

IATSE 873 (Technicians) – International Alliance of
Theatrical Employees

• *Members of the I.A. are proud of their complete coverage of the crafts of stage, screen and television. From the moment a theatrical picture is conceived until its last run, I.A. technicians are on the job. That principle has been applied to each new form of the visual*

entertainment industry. It is the keynote of the organization's effectiveness in building the highest wages and best working conditions among skilled craft persons.

NABET Local 700 CEP – National Association of
Broadcast Employees and Technicians
P: 416-536-4827
F: 416-536-0859
E: ross@nabet700.com
W: www.nabet700.com

• *NABET 700 CEP currently has over 1200 qualified members in 15 departments of the film and television industry. Our members crew a show on a non-seniority basis that allows the department keys to hire the technicians they know are appropriate for the upcoming production. This ensures that the best people are always working on the right production, which is a benefit both to producers and Nabet 700 CEP members alike.*

TRANSPORTATION

The City of Hamilton is centrally located between Toronto and Niagara Falls. Our community is serviced by a well-maintained road system and is located geographically between Canada West and Canada East. Hamilton can be easily accessed by air, rail, water and vehicle transportation.

AIR

John C. Munro Hamilton International Airport
9300 Airport Rd. Suite 2206
Mount Hope, Ontario L0R 1W0
P: 905-679-1999
1-888-757-1111
E: info@yhm.com
W: www.yhm.com

Carriers to the Airport include:
WestJet Airlines P: 1-800-538-5696
CanJet Airlines P: 1-800-809-7777

LOCAL BUS TRANSIT

Hamilton Street Railway Bus Lines
Mount Hope, Ontario L0R 1W0
P: 905-527-4441
E: hserve@hamilton.ca
W: www.hamilton.ca

The Hamilton Street Railway (HSR) provides a quick and convenient way to travel by bus to all urban areas in the City of Hamilton.

RAIL

GO Train
P: 416-869-3200
1-888-438-6646
W: www.gotransit.com

VIA Rail
P: 1-888-842-7245
W: www.viarail.ca

VIA Rail Quebec City – Windsor corridor provides a quick and comfortable ride that stops at the Aldershot GO Station, only minutes away from Downtown Hamilton.

Amtrak

P: 1-800-USA-7245

W: www.amtrak.com

When travelling by train from the USA, Amtrak provides connections from many major U.S. cities and regions.

VEHICLE TRANSPORTATION

The City of Hamilton is easily accessible by vehicle. Downtown Hamilton can be reached in minutes from the QEW and Highway 403. The new extension of Highway 403 and Highway 407 has increased the accessibility of Hamilton from Toronto and South Western Ontario.

In Downtown Hamilton you will find well-synchronized stoplights and one-way streets. Hamilton is one of few cities to offer non-stop travel through its entire length. The main thoroughfare going east is Main Street. Alternatives are York/Wilson/Cannons Street or Burlington Street. Traveling west, the major route is Queenston/Main/King Street. Alternatives are Cannon/York and Burlington Street.

Speed Limits vary according to road size

PORT OF HAMILTON

Hamilton Port Authority (HPA)

P: 905-525-4330

1-800-263-2131

F: 905-528-6554

E: info@hamiltonport.ca

W: www.hamiltonport.ca

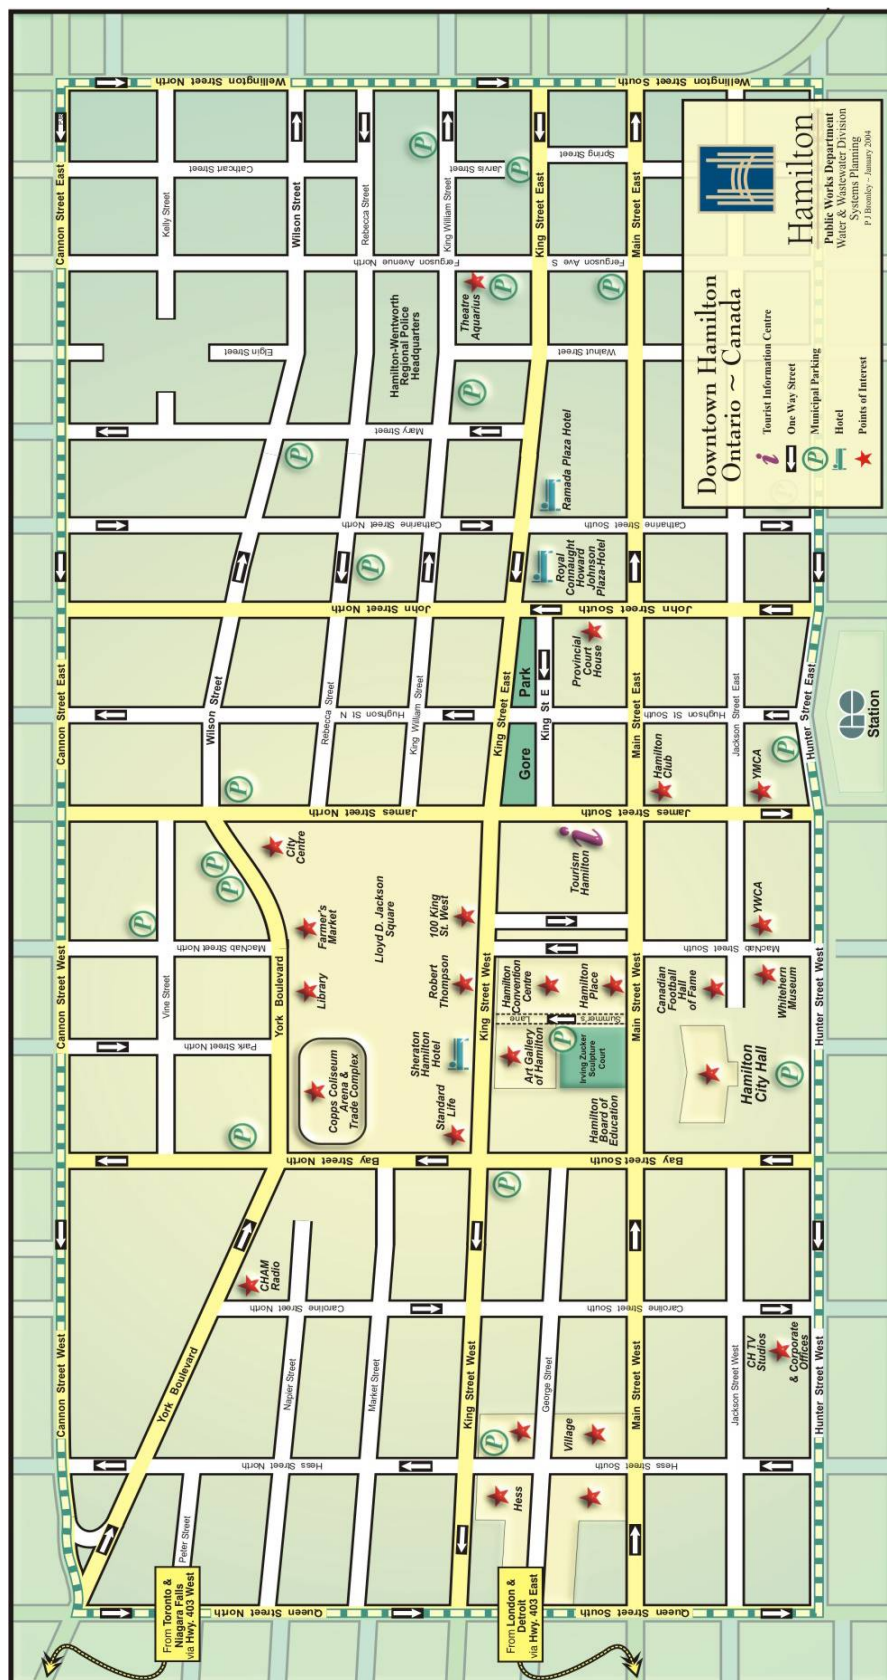

The Hamilton Harbour is considered the finest natural fresh water harbour on the Great Lakes. It's located at the western end of Lake Ontario, strategically positioned for access to Canada's industrial heartland and major markets in the United States.
